

2007 Summer Lesson Schedule

Lessons will be held the weeks of June 4, 11, 18, and 25; and July 9 and 16. I will meet you at the front door of the Middle School / Senior High at your lesson time.

In order for summer lessons to be most beneficial, students need to keep a regular practice routine of around 10-15 minutes each day. Lesson time will be spent reinforcing concepts that are practiced at home.
