*The Ashland-Greenwood Public Schools Board of Education is empowered to act on any item listed on the agenda at any time during the meeting, irrespective of the time or order listed. Pages listed, or further detail, are available upon request. The Open Meetings Act requires and the intention of the Board is that agenda items be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. The Ashland-Greenwood Board of Education releases its agenda well in advance of most meetings and desires that all interested persons are fully informed. Any interested person who has a question or needs clarification about the sufficiency of a descriptive item should contact the Office of the Superintendent of Schools.*

**COPY OF OPEN MEETINGS ACT:** *The Board of Education makes available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. The Act is posted on the North wall of the meeting room west of the main entrance.*

You are cautioned that slanderous comments are not protected just because they are made at a Board meeting.*

**Form for Renewal of Cooperative Program Agreement**

Attached is a form to be used by the high schools that wish to continue sponsoring an existing cooperative program. If the high schools plan to continue cooperatively sponsoring the same program(s) as they sponsored during the preceding school year, this form should be completed, signed by the superintendent of each high school, and sent to the NSAA office.

It will not be necessary for the schools to complete the Cooperative Program Application form unless additional programs are added.

The agreement to continue the cooperative program should be approved by the schools' Boards of Education/Governing Bodies, but it is not necessary for members of the Board of Education/Governing Body to sign the agreement. Hopefully, this will save time and simplify the renewal process.

Renewal requests must be received by the NSAA by the applicable renewal dates:

1. June 1 for cooperative programs that will be implemented during the following fall sports season;
2. September 1 for cooperative programs that will be implemented during the following winter sports season; and
3. January 1 for cooperative programs that will be implemented during the following spring sports season.

\*Please note new information request for which school is to receive any applicable reimbursement checks.
