

Mr. Bergen's Blueprint for Success

Ways to succeed in *Science*...

1. Pay attention in class.
2. Ask questions in class.
3. Take good notes.
4. Behave in the lab.
5. Read the book.
6. Do the homework.
7. Keep an organized notebook or binder.
8. Study with a friend.
9. Review your notes.
10. Review old homework and quizzes.

Student expectations:

The students will:

A. Respect each other, the teacher, and school equipment.

B. Be on time to class and prepared with appropriate materials. (If you do not have a pencil or pen, it is best to ask a neighbor for a loaner.)

C. Be prepared to put forth their best effort and follow directions.

D. Remain on task during class. (This means you will work on given assignments during class. If you happen to finish early, you will be asked to work on other assignments.)
