I. General Information

A. Welcome

1. Welcome to the Ashland-Greenwood High School. This handbook is being provided to acquaint you with the policies, procedures and programs of this school. These policies and procedures have been developed and adopted by the Board of Education based on state and federal law and the district's experiences in running effective education programs. The purpose of these policy, procedures and program descriptions is to provide a safe, secure, organized and productive learning environment for all students.

B. Disclaimer

1. This handbook, although substantial in its content, is not inclusive of all the policies, procedures and programs of the school district. The Board of Education and administration reserves the right, from time to time, to adopt rules, procedures and policies that may or may not be included in this handbook with or without notice.

2. This handbook is not an irrevocable contract commitment to the student or parent but only reflects the current status of rules, procedures and policies of the district.

C. Enrollment/Attendance Eligibility Provisions

1. Students meeting criteria found in state law and Board policy are eligible for enrollment in and attendance at Ashland-Greenwood High School.
2. Any student transferring in to Ashland-Greenwood High School from another school district must provide the school with a certified copy of his/her birth certificate and with full immunization records prior to attending classes.
3. Additionally, any transfer student who is transferring in from another state must provide the school with a completed physical examination form prior to attending classes.

D. Part-Time Enrollment

1. Students enrolled at Ashland-Greenwood High School will maintain that enrollment on a full-time basis unless arrangements for part-time status have been agreed upon by both the school and the family.
2. Medical requirements, dual enrollment status at another educational institution, participation in work experience programs, family needs and beliefs, individualized education plan provisions, and a student's status relative to timely completion of all graduation requirements may be considered when creating a part-time enrollment arrangement.
3. In no instance, will a student's part-time enrollment be allowed if doing so violates Nebraska law regarding compulsory attendance.
4. Students who are residents of the school district and who are also enrolled in a private, denominational, or parochial school or in a school which elects pursuant to section 79-1601 not to meet accreditation or approval requirements (commonly known as home or exempt schools) may also be eligible for part-time enrollment as non-public school students pursuant to provisions found in Board policy and state law.
5. Part-time enrollment of non-public school students will be allowed for the purpose of providing enhanced educational opportunities not otherwise available to the non-public school students.
6. Non-public school students will not be permitted to enroll in essential courses. For non-public school students attending an approved school, essential courses are: language arts, social studies, science, mathematics, vocational education, foreign language, visual and performing arts, and personal health and physical fitness. For non-public school students attending an exempt school, essential courses consist of a sequential program of instruction designed to lead to basic skills in the language arts, mathematics, science, social studies, and health.
7. Non-public school students enrolled on a part-time basis may enroll in no more than two courses during any one semester. A student who is attending an exempt school and who is enrolled on a part-time basis at Ashland-Greenwood High School will be permitted to enroll in 20 semester credit hours of classes in the event the student has an interest in participating in extracurricular activities.
8. All provisions found in this handbook apply to non-public school students enrolled on a part-time basis during the time they are present on school grounds or at a school-sponsored activity or athletic event.

E. Hours and Daily Schedule

1. Ashland-Greenwood High School operates on an eight period day; the schedule for that day is given below:

Period 1	8:15-9:01
Period 2	9:05-9:51
Period 3	9:55-10:41
Period 4	10:45-11:31
Period 5	11:31-12:51
Period 6	12:55-1:41
Period 7	1:45-2:31
Period 8	2:35-3:21

F. School Closings

1. In the event of postponement of school due to inclement weather or other factors, school closing information will be provided to local radio and television outlets. A listing of those will be provided students and parents.

G. Lost and Found

1. All lost and found items should be reported to the principal's office. The school will assist students, to the extent possible, in recovering lost property. Lost or left items that are unclaimed at the end of the school year will be disposed of one week after the last student day.
2. The school assumes no responsibility for the loss of personal property.

H. Media Center

1. Books may be checked out or renewed for two week periods. Reserved items must be used in the media center itself; such items may be checked out overnight after 3:21. Students are responsible for paying for lost or damaged materials.
2. Use of media center workstations will be for school-related purposes only.
3. Media center use privileges will be denied to all students who have failed to return overdue materials, whose conduct while in the library interferes with the study of others, or who do not have a pass to the media center.

I. Lunch

1. The school will provide hot lunches for students to purchase from a set menu; some ala carte items will also be offered. Students may also bring their lunches. All lunches will be eaten in the designated dining area; students will remain in designated areas throughout the lunch period.
2. In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discrimination on the basis of race, color, national origin, sex, age, or disability.
3. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (202) 720-5964 (voice and TDD). USDA is an equal opportunity provider and employer.

J. Transportation

1. The school furnishes transportation to resident students enrolled in the Ashland-Greenwood Public Schools who reside outside the city limits of Ashland and to those students for whom transportation is required by law. Transportation is provided to and from the student's registered place of residence unless otherwise approved by the Superintendent. Resident students who live outside the city limits but within four miles of the schoolhouse will be transported on a space available basis. The location of the residence of a student's day care provider cannot be used to determine eligibility for the student for district transportation.
2. Transportation to and from school is provided as a service to district residents and eligible students shall always have first priority for bus service. Transportation provided to non-resident students shall be governed by Board policy.
3. A student's home is the pick up and drop off point for transportation unless a parent designates a different point and that point is on a current school bus route and does not cause the district to alter existing bus routes or to overload a bus.
4. In order to request bus service, a family should contact the Superintendent's Office.
5. Pupils attending school events requiring transportation must ride on school buses unless other arrangements have been approved in advance by the principal. Requests for such alternative arrangements must come from the parents and must be in writing.
6. School buses will return to Ashland immediately after all events unless other arrangements have been approved by the principal and sponsors in advance.

K. Bicycles, Cars, and Other Vehicles

1. Students riding bicycles or driving cars or other vehicles to school are to park those bicycles or vehicles immediately upon arrival at school. Vehicles will remain parked throughout the school day and should be locked, if possible.
2. Bicycles should be placed in the bike racks provided by the middle school entrance.
3. Cars and other vehicles should be parked in either the east or the west parking lots; where indicated, parking lines are to be followed.
4. Parking slots in the south driveway are for visitors only.

L. Closed Campus

1. Ashland-Greenwood High School operates on a closed campus basis. During the school day (including the lunch period), students are prohibited from leaving the school grounds unless permission to do so has been granted by the principal or his/her designee. In turn, that approval will be granted only after parental contact has been made.
2. Closed campus shall be interpreted to ban students from being in the parking lot during the school day (including the lunch period).
3. Students who have a medically prescribed diet that must be administered/monitored at home may be excused over the lunch period for that purpose if a note from an appropriate physician is provided verifying the relevant medical condition.

M. Telephones, Cellular Phones, and Personal Electronic Communications/Entertainment Devices

1. Student use of school telephones will be limited to cases of extreme importance (i.e. contacting parents); students will be required to use the pay telephone for other calls.
2. In order to minimize disruption to the school routine, students will be called to the telephone only for calls from parents or close relatives. Messages will be taken and delivered for all other calls.
3. The use or display of personal cell phones is prohibited during the regular school day (8:15-3:21) unless specifically authorized by a classroom teacher or school administrator. The first violation of this prohibition will result in the device in question being confiscated and returned at the end of the school day. A second violation will result in confiscation and return of the device only to a parent or guardian. Subsequent violations will be deemed nuisance behaviors worthy of an office referral.
4. The use of personal entertainment devices is prohibited during the regular school day (8:15-3:21) except for instructional purposes (i.e. recording a lecture with an iPod). The first violation of this prohibition will result in the device in question being confiscated and returned at the end of the school day. A second violation will result in confiscation and return of the device only to a parent or guardian. Subsequent violations will be deemed nuisance behaviors worthy of an office referral.

N. Custodial - Non-Custodial Parent Information

1. Unless provided legal documentary evidence to the contrary, the school will assume that parents have joint custody. For purposes of notifying parents about students, the district shall assume that notifying either parent with custodial rights shall be the same as providing notice to both parents unless either parent makes a written request to the contrary. The custodial parent, not the non-custodial parent, has the right to make educational decisions for affected children unless extraordinary and highly unusual circumstances present themselves or a court order grants such rights in full or in part to the non-custodial parent. If joint custody has been awarded, each parent will have equal rights unless restricted by a court order or other legal document.
2. Unless a court order or other legal document prohibits the following actions and the school has been provided with a copy of the order/document, the non-custodial parent may:
 - a. review his/her child's educational records
 - b. attend regular parent-teacher conferences and may arrange for additional conferences
 - c. visit the school as custodial parents do unless such visits are judged by schools officials as disruptive to the school routine
 - d. request general school information such as district newsletters and lunch menus
3. The school will not release a child to a non-custodial parent or other individual prior to the end of the school day unless the custodial parent has granted permission. If custody has not been decided, a child may be released to either parent unless a court order or other legal document prohibits such release.
4. The district may require an individual to show identification when picking up a child if the individual is unfamiliar to the staff.
5. The school will use the legal surname of each child on all official school records. Use of another surname on official school records will require a court order or other legal document evidencing a legal name change.
6. Custodial and non-custodial parents are responsible for providing the school with copies of all relevant court orders and legal documents. The school will not go beyond what is called for by a court order or other legal document.
7. Disagreements between family members are not the responsibility of the school district. The school district will not take the "side" of one family member over another in a disagreement about custody or parental rights. This policy does not prohibit an employee from listening to a student's problems and concerns.

O. Gifts to School Personnel

1. Students and parents are discouraged from giving gifts to school personnel.

II. Instructional Program

A. Minimum Performance Standards and Student Success

1. All students are expected to meet minimum performance standards in all classes.
2. Students who fail to meet those minimum standards on an initial effort will be provided opportunities to repeat the effort in a timely manner until minimum standards are met, with such work being done under the supervision of the affected teacher.
3. Such remediation work may take the form of re-doing an assignment or test in its entirety, correcting errors from an original assignment, or such other learning activities as are deemed appropriate by instructional staff.
4. Remediation efforts must be completed within one week of the original effort's return to the student.
5. Following successful completion of the assigned remediation work within the time frame allowed, students will be considered to have earned the minimum passing mark for the affected assignment or test.

B. Grading Procedures

1. Grades are listed on report cards and transcripts in letter format. The range used for each letter grade is listed below:

<u>Grade</u>	<u>Percentage</u>
A-A+	100-90
B-B+	89-80
C-C+	79-70
D-D+	69-60
F	Below 60

2. GPA point values for each letter grade designation are detailed below:

A+	4.00	B	3.00	D+	1.50
A	4.00	C+	2.50	D	1.00
B+	3.50	C	2.00	F	0.00

3. Grades will represent student achievement and may be based on any or all of the following: tests, quizzes, projects, daily assignments, class participation.

C. Academic Integrity

1. Standards of academic integrity are established in order for students to learn as much as possible from instruction, for students to be given grades which accurately reflect a student's level of learning and progress, to provide a level playing field for all students, and to develop appropriate values. Cheating, plagiarism, and contributing to cheating and plagiarism violate the standards of academic integrity. Sanctions will be imposed against students who engage in such conduct.
2. Cheating includes but is not limited to:
 - a. Tests—making use of or providing advance information, use of unauthorized materials, use of other student answers, use of other student to take a test (including take home tests), and misrepresenting the need to delay a test.
 - b. Papers/Other Assignments—use of another's paper/assignment, re-use of one's own paper/assignment, assistance from others, failure to contribute to group projects, misrepresenting the need to delay paper/assignment.
 - c. Alteration of Assigned Grades—such alteration, whether in a teacher's grade book or school records is a serious form of cheating.
3. Plagiarism includes but is not limited to:
 - a. Failure to Credit Sources—work created by another must be either paraphrased and credited or placed in quotations and credited.
 - b. Falsely Presenting Work as One's Own—work turned in must be the original creation of the student and not purchased from or provided by someone else.
4. Contributing to Cheating and Plagiarism includes but is not limited to:
 - a. Allowing another student to look at one's test answers.
 - b. Allowing another student to copy one's papers or projects.
 - c. Providing another student with completed assignments or projects.
5. Academic sanctions for academic integrity violations will include:
 - a. Affected students will receive a grade of zero for the work in question.
 - b. Affected students will be required to complete an alternate assignment within a time frame and under conditions determined by the classroom teacher.
 - c. Affected students will receive grades of Incomplete, with no credits awarded, until such time as the alternate assignment is completed to the instructor's satisfaction.
 - d. Parents/guardians will be notified of all academic integrity violations.
6. Because academic integrity offenses are a violation of school rules, the principal may recommend sanctions in addition to those assigned by the instructor, up to and including suspension or expulsion. Such additional sanctions will be given strong consideration when a student has engaged in a serious or repeated academic integrity offenses or other rule violations, and where the academic sanction is otherwise not a sufficient remedy, such as for offenses involving altering assigned grades or contributing to academic integrity violations.

D. Make-Up Work

1. Students who are absent and excused for that absence will have the number of days missed plus one in which to complete make-up work (i.e. a student absent one day will have two days to complete such work, a student absent two days will have three days to complete such work, etc.).

E. Make-Up Work in Cases of Exclusion, Suspension, Expulsion, or Mandatory Reassignment

1. Students excluded from school under communicable disease provisions of this handbook will be allowed to make-up all work in accord with regular make-up work provisions.
2. Students suspended from school will not be counted absent for the days suspended and will be allowed to complete all make-up work as part of their assignment to the evening school program. Students not attending assigned evening school program sessions will be counted absent for the days in question and will receive no credit for affected make-up work.
3. Students expelled from school shall be dis-enrolled for the expulsion period. Non-enrolled students may not earn grades or credits for any work completed in the regular education program prior to expulsion but are eligible for such under alternative education program options which will be made available to the expelled students.
4. Transfer grades and credits for students mandatorily reassigned or returning from mandatory reassignment will be handled in the same fashion as all other transfers.

F. Loan of Materials to Home School Students

1. Textbooks and other nonconsumable school supplies may be loaned to home school students at the discretion of the administration.
2. Home school students borrowing said items are responsible for any damage or loss occurring to school property.
3. The school will not purchase additional items nor deprive itself of an adequate reserve in order to accommodate requests from home school students.

G. Attendance

1. Attendance Philosophy
 - a. The Ashland-Greenwood School District complies with attendance provisions found in state law.
 - b. Regular attendance at school is the responsibility of the student and the parent. Students are expected to attend classes on a regular basis and be on time to gain maximum benefit from their instructional program and to develop habits of punctuality, self-discipline, and responsibility. Parents of school age children are required by law to see that those children attend school regularly.
 - c. Daily attendance is important for the following reasons: daily discussions contribute a significant amount of the background essential to any course which cannot be made up if missed and a regular attendance pattern will develop a degree of responsibility on the part of the student that will continue throughout life.
 - d. Thus regular attendance promotes both academic development and growth as a dependable individual.
2. Parental Verification
 - a. Parents are asked to call in their son or daughter's absence to the school office before 10:00 a.m. on each day of absence. An answering machine will take calls from parents whose employment requires them to leave town before school begins. Collect calls are accepted. The school will attempt to contact parents if no call is received and a child is absent. Should no such contact be established on the day of absence, the student must bring a parental note upon his or her return to school. Parent calls or notes must include a reason for the absence if the absence is to be considered excused.
 - b. For verification purposes, the school cannot accept a student call or excuse regarding absence. Any absence not verified by a parent will be considered unexcused.
 - c. A student shall be considered excused for absences caused or necessitated by illness, bereavement, family emergency, or other reasons requested by the parent or guardian and approved by the principal. Absences of three consecutive days or more for illness will require verification that medical treatment was sought and/or obtained. Excused absences will be further classified by the school as unavoidable (i.e. illness, funerals court appointments, etc.) or avoidable (i.e. vacations or family trips, attending district or state competitions other than as a participant, or other absences which are by choice rather than necessity).
 - d. Any absence not verified by a parent, including those for which a parent fails to provide a reason, within two days of the absence will be considered unexcused and subject to disciplinary action. Additionally, students incurring unexcused absences will be required to make up all work missed in accord with minimum performance standards procedures.
3. Truancy
 - a. Any child age 6 to 18 (unless 16 by July 16, 2004) who fails to attend school regularly without lawful reason shall be considered to be in violation of Nebraska truancy statutes and will be subject to efforts by the school to compel attendance.
 - b. Students ages 6 to 18 (unless 16 by July 16, 2004) who accumulate more than five absences, excused or unexcused, in any quarter shall be considered to have excessive absences. Notice of excessive absenteeism shall be made to the parents/guardians after the sixth absence. Additional corrective action taken by the school may include, but is not limited to: conferences, counseling, evaluation, alternative placement, suspension, and expulsion.
 - c. If a student age 6 to 18 (unless 16 by July 16, 2004) continues to be habitually truant, written notice to the parents/guardians shall be provided warning them to comply with state law.
 - d. If such compliance does not occur within one week of notice being provided, the principal shall file a report with the county attorney of the county in which the student resides.
4. Return to School after an Absence
 - a. Students returning to school after an absence for which parental verification has not been received must obtain a class admit slip prior to being admitted to any class. No make-up assignments will be given unless a classroom teacher is first presented with a properly completed admit slip. Admit slips will classify all absences as excused or unexcused in nature. Such classification will determine teacher response to requests for make-up work.
5. Attendance and School Activities
 - a. Students acting as participants on an extra-curricular team or organization under the direction of a school appointed coach/sponsor will not be considered absent when such participation requires them to miss part or all of a school day. Participants will be required to complete, in advance when possible, all assignments.
6. Attendance and College Visitations
 - a. Twelfth graders who are on schedule to graduate during their senior year will be allowed three days per school year for the purpose of visiting colleges or universities without those days being considered absences provided that such visitation has been arranged in advance through the guidance counselor's office. College visitation days not arranged through the counseling center or in excess of three will be treated as absences.

7. Tardiness
 - a. Tardiness to school or to any class during the school day or extension thereof will be considered excused if a legitimate reason exists for the tardiness and the affected student has a hall pass stating that reason; all other tardies will be considered unexcused.
 - b. Tardiness is defined as not being in an assigned room when the starting bell for any given class period rings.
 - c. Individual teachers will keep tardy records for each student and will implement procedures for dealing with excessive tardiness as part of their classroom management rules.
 - d. Students arriving more than 20 minutes late to any class will be considered to have been absent from that class rather than merely tardy.
8. Attendance Requirements for Extra-Curricular Participation
 - a. Students wishing to participate in extra-curricular practices or contests must be in attendance all day of the school day in question. This requirement can be waived by the principal if an absence is for an unavoidable, non-illness related reason.

H. Student Testing and Assessment

1. Students in 7th, 8th, and 10th grades will annually participate in achievement testing.
2. Students in 8th and 11th grades will annually participate in the Nebraska writing assessment process.
3. Students at all grade levels will annually participate, as appropriate, in assessment processes related to the Nebraska standards for reading, writing, listening, speaking, math, and science.

I. Promotion/Retention

1. At the high school level, promotion/retention decisions are, for the most part, irrelevant as graduation requirements govern when a student is said to have completed high school.
2. Inadequate progress toward graduation may, as indicated elsewhere in this handbook, affect a student's ability to participate in extracurricular activities or to be eligible for various honors, awards, or positions within the school.

J. Reporting of Academic Progress

1. Report cards detailing grades earned will be issued every nine weeks.
2. All teachers will provide notice to parents of students who are not participating in remedial work necessary to meet minimum performance standards. Said notice may be in written form or may be via information available online through PowerSchool. Based on that contact, a plan of action will be developed by parents and teachers.
3. Parents and students are encouraged to contact classroom teachers regarding academic progress as those concerns arise.

K. REACH Program

1. The REACH Program provides a framework for identifying and meeting the needs of high ability students. The identification process begins with a student nomination. Nominations for the program may be made by the student, peers, teachers, or parents. Data is collected for nominated students and submitted to the REACH Committee. The Committee determines whether or not a student qualifies for inclusion in the program.
2. Students who qualify for the REACH program are provided opportunities for a differentiated curriculum within the classroom setting and expanded learning opportunities outside the classroom.

L. Honor Roll

1. Ashland-Greenwood High School's Honor Rolls recognize academic achievement and are published at the end of each grading period. Any student with a Full GPA of 3.00-3.74 for the current grading period will be included on the Second Honors honor roll. Any student with a Full GPA of 3.75-4.00 for the current grading period will be included on the First Honors honor roll.
2. Students must carry a minimum course load equal to 25 credits in order to be considered for honor roll.

M. Required Classes/Class Load

1. In light of the fact that the content of some courses is of such an essential nature or is a necessary prerequisite for further study, certain classes offered by Ashland-Greenwood High School will be designated as required. Failing those classes will require the affected student to re-take the class in question. Details on which classes fall into the required category are included in the registration packets distributed in the spring.
2. Additionally, all students must carry a minimum load of seven classes; this means that students may register for no more than one study hall.

N. Dropping and Adding Classes

1. During the first week of each semester, students may request schedule changes providing that those requests are in accord with all other academic provisions.
2. Schedule changes after the period designated for that purpose will not be allowed except in cases involving work release, mandatory reassignment, or students with a full load (i.e. eight classes) in need of a study hall.
3. Classes dropped after the period designated for schedule changes will be subject to the following procedures regarding grades awarded, credits applied, and effect on GPA:
 - a. classes dropped during the first or third quarter will not be reflected on final transcripts or included in GPA calculations
 - b. classes dropped during the second or fourth quarter will result in semester grades of "F"; such grades will earn no credits and will be included in GPA calculations.

O. Study Hall

1. Students are allowed study halls on the assumption that such time is necessary in order to complete required work.
2. To that end, students are expected to bring materials and books to study hall and to engage in quiet study. Card or other game playing in study hall is prohibited.

P. Grade Point Average

1. Grade point average (GPA) for all students will be calculated each semester on a cumulative basis. GPA is determined according to the following formula:

$$\text{GPA} = (\text{GPA Points} \times \text{Credits Earned}) / \text{Credits Attempted}$$

2. GPAs will be calculated for all courses taken by a student (Full GPA) and for only those courses taken in the subject fields of language arts, mathematics, science, and social studies which count toward meeting graduation requirements for those subject fields (Core GPA).

3. GPA calculations are used by Ashland-Greenwood High School to determine eligibility for inclusion on the honor roll, to determine eligibility for membership in National Honor Society, and to determine class rank.

Q. Class Rank

1. Students within each grade level will be ranked academically at the conclusion of each semester.
2. Class rankings shall be based on cumulative Core GPAs.

R. Supervised Work Experience

1. Students meeting the standards established for membership in the senior class are eligible for supervised work experience.

Guidelines for obtaining supervised work experience are detailed below:

- a. application for supervised work experience must be coordinated through the guidance office
- b. such application must include certification of employment, parental authorization, and school approval
- c. students engaged in supervised work experience will participate in regular progress reviews scheduled with employer representatives, school personnel, and parents or guardians
- d. course credit for supervised work experience will be awarded on the basis of five credits per semester for every ninety hours worked, with participating students required to verify (through pay stubs or other documentation) the number of hours actually worked

S. Graduation Requirements

1. Two hundred forty total credits are required for graduation. In accord with state law, 80% of those credits must be earned in core curriculum subjects.
2. Specific subject area requirements for graduation have been established in addition to the total credit requirements just discussed:

English/Language Arts	40 Credits
Social Studies	40 Credits
Mathematics	30 Credits
Science	20 Credits
Health	5 Credits
PE	5 Credits
